VOLUME XXXIV. NUMBER 43.

IRONTON, MO.

THURSDAY, APRIL 18, 1901.

LOCAL BREVITIES.

The peach trees are in bloom. And still they talk of weddings. The fishermen were out last week.

There promises to be a bountiful yield of fruit. The Price-Arlington show went from here to De Soto.

The county Board of Appeals will be in session next week. The railroad bridge is about completed and it is a daisy.

Reserved seats at the drug store for the school entertainment. Rev. E. A. Squier is to lecture in De Soto this (Thursday) evening.

Circuit court meets next week. The docket is published elsewhere. Beautiful Flowered Dishes given to customers of Barnhouse Merc. Co.

If April showers make May flowers we'll have posies to burn next month. Closing exercises Ironton High School to-morrow night. Admission, ten cents.

The Circuit Court docket is a light one, and the session will probably be brief. John M. Thomas is now employed as salesman in a furnishing goods store in De Soto.

The Ladies Guild of St. Paul's Church meets at Mrs. Saltz' to-day (Thursday) at 2 P. M. Services at St. Paul's Episcopal Church Sunday by the minister in charge at 11 and 7:30. All welcome.

Dr. L. Werblun, optician of St. Louis, will be in Ironton at the Keeling house Monday and Tuesday, April 29 and 30.

Mr. Mayor's company will produce "In White Robes" at Poplar Bluff April 24th; at Fredericktown, April 26th. The railroad company has settled most of the losses occasioned by the recent fire in Bismarck. Mr. Louis Miller of Arcadia made the settlements for the company.

Unless the Judge sees fit to convene one there will be no grand jury next week. A Circuit Court without a grand jury doesn't seem like the genuine article, at all.

D. K. Bergen, who has been conducting a drug store in Ironton for the past year or more, will remove to Joplin, Mo., about May 1st. This will leave Ironton without a drug store.

Rev. Edgar A. Squier, the new pastor of the M. E. Church, has arrived and is now duly installed in his charge. He is a cultured gentleman and we have no doubt will prove popular and successful.

Geo. M. Johnson, the ice man, has an advertisement in this issue of the REGISTER. Mr. Johnson has arranged to secure his ice from St. Louis and his patrons will have the best market affords.

Yesterday the five cottages of the Asylum were completed and looked up. It is said that it will be a year before all the buildings necessary for the receiving of patients can be completed. —Farmington News.

Geo. W. Clarkson of Bismarck was in town Monday. Mr. Clarkson has had the misfortune to have his residence twice destroyed by fire in the past seven months. His loss, in both instances, was considerable.

Geo. Brooks, the colored porter at the Commercial Hotel, was fined \$1 and costs by Mayor Edgar Monday for cursing one of the show men and drawing his knife on him. From what we learn it was a very light fine for very serious offense.

Rev. T. A. Waterman will be on hand for the service here Sunday but he will spend the week following in Poplar Bluff at convocation where he has been assigned to deliver an address on "The Church of England before the Seventh Century."

H. H. Buford intends removing in the near future to one of the new cottages being built by Louis Miller. P. W. Whitworth will occupy the house vacated by Mr. Buford, and Prof. Vance will remove to the house where Mr. Whitworth is now living.

The editor is in receipt of an invitation from Dr. and Mrs. Steele Bailey of Stanford, Kentucky, to attend the marriage of their daughter, Isabella, to Dr. Charles Poplin Harvielle, Wednesday morning, May 1, 1901. Dr. Harvielle's many friends here wish him every happiness.

T. S. Lopez & Sons closed out their general mercantile business here and left, they say, for good. They have been connected with the business of this town almost from its beginning and have always commanded a large share of public patronage. —Piedmont Banner.

Thos. R. Tolleson who has been with T. S. Lopez & Son for years leaves here and goes to Bonne Terre Co. Mr. and Mrs. Tolleson have two worthy young people, and it is probable that some community in which they might live. We wish them well in their new employ. —Piedmont Banner.

Rev. Edgar A. Squier, who is to preach next Sunday morning and evening in the M. E. Church, will deliver on Monday evening next, April 22d, in the above church his well known lecture on "The Life and Character of Miss Francis E. Willard, the Queenly Woman and Reformer." This lecture is not a temperance address but an analysis of the life of this marvelous woman, and while it has something for all, it has special attractions for the young. Admission, 20 cents. Tickets on sale at Bergen's drug store.

The annual meeting of the Woman's Home Mission Society of St. Louis Conference, M. E. Church, South, will be held in Fort Hill Church, Arcadia, April 24th and 25th. The first session will convene at 9 A. M., Wednesday. All are cordially invited to attend. Mrs. A. J. LANGDON, President. Mrs. PRES. W. WHITWORTH, Sec'y.

Governor Dockery on last Monday offered a reward of \$100 for the arrest of James Fatchett and his return to Sheriff Higginbotham. Together with the County's reward of \$200 and the reward of \$300 offered by Mr. Ward's relatives makes a total of \$600. Fatchett is wanted for the murder of Ivan Ward, committed at Irondale on March 21, 1891. —Potosi Independent.

On the evening of April 26 at 8 o'clock at the Academy of Music, will be held the First Commencement Exercises of the colored public school. All are cordially invited to attend. An admission fee will be charged to meet expenses. Proceeds to aid library fund. Ample accommodations provided for our white friends. HENDERSON.

Sheriff Gregory took Henry Beard and Pate Sides, both colored, to the penitentiary last Sunday. They were convicted of robbery and sentenced to five years in the penitentiary at an adjourned term of the circuit court in January, but owing to the fact that the penitentiary has been quarantined ever since the prisoners could not sooner be taken there.

On the eighth page of this paper are two "sheriff's sales"—the second and third on the first column—printed from type in almost constant use for thirty-four years. The type was bought from the old St. Louis Type Foundry, and is in better condition than other fonts in use in this office and a quarter of a century later. The virtue of general progression has not improved the durable quality of type metal.

List of letters remaining in the Post Office at Ironton, Mo., for the week ending April 13, 1901. If not called for within two weeks, they will be sent to the Dead Letter Office: Miss Jane Tolpelt. Mr. T. A. Rice. Ironton Structural Steel Co.

PERSONAL. H. E. Melhado was in St. Louis Sunday. Mrs. Dr. Wicks was in St. Louis last week. Miss Mabel Davis has returned to St. Louis.

Fred Beard was here from Piedmont Tuesday. T. P. Fitz of Des Arc was in Ironton Saturday. Geo. Clarkson of Bismarck was in town Monday.

Thos. Tolleson of Piedmont was in town Saturday. Capt. W. H. Byers was in Poplar Bluff Wednesday. Hugh Jones of Mill Spring was a visitor in Ironton Monday.

Chas. L. Fox is home from Newport, Arkansas, for a few days. Henry L. Simmerman left Sunday on an extended visit to California.

Mrs. Dr. Schulz of St. Louis is the guest of Ironton relatives this week. Miss Lucille Moore left yesterday for Alvarado, Texas, to visit her brother.

Mrs. H. M. Collins and son, Hartford, were in St. Louis the first of the week. Miss Bertha Bollinger of Sabula is here this week the guest of Miss Maude Edgar.

Dr. H. M. Jones left Monday on a visit to his brothers in Jackson, Tennessee. Training School.

To give teachers, and those preparing to teach, an opportunity to pursue a systematic course of instruction before undergoing the examination as provided by law, I have, at the solicitation of teachers, decided to conduct a training school at Bellevue beginning Monday, May 6, 1901, and continuing till the examinations for teachers' certificates.

The new institute law provides that management, methods, and pedagogy only, shall be taught in the institute. A thorough knowledge of the other subjects required for a teacher's certificate must be acquired outside of the institute. The necessary demands of education require the attendance of teachers at some good school. I wish to enroll one teacher for every district in Iron county.

Let me hear from you. Board and tuition at very reasonable rates. Respectfully, J. M. HAWKINS.

A Testimonial from Old England.

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by all druggists.

Des Arc. The farmers are nearly through planting corn. They never were so advanced in their crops before. Owing to a mild winter they had all their plowing done by spring.

Geo. W. Wallis has sold his mill to Bud Midkiff. He will set it up in Brunot. E. W. Graves and wife, Wm. Stevenson and Walter I. Fitz went to the city Sunday to buy goods.

The railroad company has advanced the section men to \$1.25 per day. Frank Roney says McKinley did it, but I say it is the Nesbit Law and the Jefferson Club as they are great friends to the laboring man; instructs them how to vote, etc.

Our directors have employed P. D. Hartman, of Bellevue, and Miss Lela O'Neal, of Ironton, as teachers for the coming year. ISAAC.

Don't Kick at the Postmaster. VULCAN, MO., April 13, 1901. Don't kick at the postmaster. If you happen to want to see if there is any mail for you, please note whether he is busily engaged in weighing out twenty-five cents worth of nails or is telling an interesting fish story or so, as it is really annoying to be interrupted at such times. Or if he happens to be cross and out of sorts and should speak rather roughly, don't make remarks about it as he is not expected to treat his patrons with courtesy. If he happens to tell you there is no mail without looking, and it afterward proves to be a mistake, say nothing about it. Although the letter may be one of much importance in regard to your business, and it is absolutely necessary to our success in some business venture that it be delivered in due time; or more often it contains notice of the serious illness of some dear friend or relative, and demanding your immediate presence at their bedside; for the postmaster is supposed to know what is in all letters, and besides he is not paid to handle

the mail properly, for he has no rules to go by and is not paid to look for mail when called for. And neither does any of them want the care of the office and it is forced upon them without any application or petition. Should it occur that he is intoxicated and unable to attend to business properly, and occasionally swears or uses obscene language that is nothing, and it is permitted in all other public places and is really a mark of a gentleman any way. And if you fail to get the amount of stamped goods the rates allow that is nothing, for the postmaster needs it more than you, and if he wants to make a few odd cents that way, why the people surely should not object. So no matter what the postmaster does, it is surely all right, for they never make mistakes, and are always good fellows. Please think before you speak and remember that when you are kicking at the postmaster you are needlessly hurting a fellow being's feelings. MISS OCKI KIDD.

It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes. 25c per box. For sale by all druggists.*

Mr. T. R. Tolleson, who has been in the employ of T. S. Lopez & Sons at Piedmont, is here with his wife, visiting relatives, as T. S. Lopez & Sons have closed out their store at that place. In a few days he will take charge of a store at Huntington for the Bonne Terre Lead Co. We wish him success, as he is sober, honest and industrious, as his life has proved for several years past.

Messrs. Mike and Jno. McGrath, who have had several years' experience with both the Syntetic and Schneider Cos., have opened up a store in the M. J. Crews stand. We wish them success as this is their first adventure in business alone.

Obituary. Alonzo T. Current—Born October 14th, 1877, departed this life March 16th, 1901, aged 23 years, 5 months and 2 days. His illness was of short duration. He died of pneumonia. His suffering was great, but he bore it with patience, and just a short time before he died he told his mother not to weep for him, that he was not fearing death, and just a short time before the breath left him he turned to his mother and looked at her and smiled, as much as to say that all was well with him. Weep not dear ones. Turn, as he was familiarly called; but live so that when life and its labors are over, that you may all meet in Heaven, where parting is no more. M. A. CLAYTON.

Caught a Dreadful Cold.

Marion Koore, manager for T. M. Thompson, a large importer of fine millinery at 1658 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by all druggists.
